## Writing Part 1

*The meaning of celebrations/holidays has undergone significant changes recently. Your foreign friend asked you about the events you celebrate in your country. Write a letter of about 300 words to your friend including the following:*

- *the most important national holidays, religious and/or family celebrations in your country,*
- *the significance family celebrations have for you,*
- *your favourite celebration/holiday,*
- *Christmases in the past and today,*
- *is it important to you to know about other peoples' holidays? Why?*

## Writing Part 2

*Your school/workplace would like to convert its heating system to make it more environmentally friendly. Write your opinion on the subject (in 300 words), including the following:*

- *your ideas about the use of renewable energy*
- *suggestions on how the building should be heated*
- *possible problems following the change.*
